Showrav Biswas

Passionate about problem-solving and innovation, I thrive in collaborative environments and enjoy tackling complex challenges. I stay updated with emerging technologies to continuously enhance my skills and deliver high-quality solutions. My goal is to contribute my expertise to a dynamic team, drive impactful projects, and grow as a professional in the ever-evolving field of software development.

Experience

2022 - Present

Magnetism Tech Ltd. | Agrabad, Chattogram.

Senior Software Engineer

As a Senior Software Engineer at Magnetism Tech Ltd. from 2022 to present, my primary role is to design, develop, and maintain ERP software solutions. This included customizing ERP systems, integrating them with other software, ensuring quality, optimizing performance, collaborating with cross-functional teams, and interacting with clients to deliver tailored ERP solutions. Additionally, I likely stayed updated with industry trends and might have provided mentorship to junior team members.

2020 - 2022

Dream 71 Ltd. | Bashundhara R/A, Dhaka.

Software Engineer

As a Software Engineer at Dream71 Ltd. for 1.5 years, contributed to the development and maintenance of software applications. My responsibilities have included coding, testing, and collaborating with a team to create and improve software solutions.

2019 - 2020

Scandic Soft | Bohardarhat, Chattogram.

Junior Software Engineer

After completing my graduation, I joined here as trainee software engineer and then as Junior Software engineer.
